

# WESTON ON THE GREEN PARISH COUNCIL

14<sup>th</sup> July 2021 Parish Council Meeting

## Agenda Item 21.369.10: Repairs to rotten edging on North Lane pond

A 4.5m stretch of the existing wooden edging along the North Lane pond is rotting and is currently a health and safety concern for people standing close to the edge of the pond. A repair of 4.5m has therefore been identified as a requirement.

The Parish Council has received a quote (attached) to undertake the work which would comprise of removing and disposing of the existing rotten timbers and replacing with 4.5m of new timber edging. The tape measure in the photos indicates the 4.5m repair length and the bottom photo highlights the rotten state of the edging.

### Cost Breakdown

- £110.00 plus VAT for materials and removal of the rotting timbers

- £260.00 plus VAT for labour

**Total Cost - £ 370.00 plus VAT**

All materials would be invoiced in advance and labour invoiced upon completion.

Despite approaching a number of different companies the clerk has been unable to obtain multiple quotes, companies are reportedly fully booked and have no capacity to quote for additional work.

### **Funding**

It is proposed to use the 'General Village Maintenance' budget line to fund the work, this budget line currently has £1,910.00 remaining for FY 2021/22.

**Resolution: To Approve** quote for £370.00 to repair 4.5m of rotten wooden edging at the North Lane pond which is currently a health and safety concern and requires repairing.
