

WESTON ON THE GREEN PARISH COUNCIL

2nd February 2022 Parish Council Meeting

Agenda Item 22.377.14: Provision dog poo bags for village use

1. Background

It has been confirmed that Cherwell District Council are no longer providing free dog poo bags to villages.

Currently bags are distributed to the shop and in the box on the footpath Westlands to Village Hall by Toddy Gould.

Toddy has investigated the cost of purchasing bags in bulk and has enquired if the Parish Council would consider purchasing them.

Weston on the Green Parish Council could purchase the bags, via a trade account (in order to claim back VAT) and the bags can continue to be distributed for use only in the village (although please note people in the shop could be from any area).

2. Cost Breakdown

Company - Ecohound: www.ecohound.co.uk

Cost per 1000 - £12.76 plus VAT if order over 8000 (retail price £21 per 1000 so a considerable saving)

Cost for an order of 8000 - £102.08 plus VAT (this would be enough supply for 12 months)

Free delivery

Total cost for a years supply - £102.08 plus VAT

3. Funding

It is proposed to use the 'General Village Maintenance' budget line to fund the work, this budget line currently has £1529.43 remaining for FY 2021/22.

4. **Resolution: To Approve** that the Parish Council should provide and purchase dog litter bags for village use up to a total cost of £110+VAT for 8000 bags to cover a years supply.
