

Section 3 - External Auditor Report and Certificate 2019/20

In respect of **Weston-on-the-Green Parish Council**

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK and Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2019/20

~~(Except for the matter reported below)~~ on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

(*delete as appropriate)

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

Box 9 of Section 1 and Box 11 of Section 2 relating to the whether the Council acts in a sole trustee capacity were not completed on initial submission of the Annual Return. The form was resubmitted by the council to state 'N/A' and 'No' which is supported by the Internal Audit Report and other information provided for review.

There was a significant time gap between the date of approval and the commencement of the public rights period. The Accounts and Audit Regulations 2015, Section 12(3), state that the announcement of public rights should be published and commenced as soon as practicable after the date the Annual Governance and Accountability Return is approved by the Council. Whilst we understand the coronavirus pandemic caused issues, any delay from normal practice should be notified to the public to ensure they do not miss the opportunity to exercise those rights. The Council should note this requirement for future years.

The Internal Auditor has answered 'Not covered' to item L on the Annual Internal Audit Report. As the authority was exempt from audit in the prior year it was not required to post a notice of audit completion. Therefore only a review of the Notice of Public Rights period and that the required documents including the exemption certificate were available was required to be performed. The confirmation of this assertion is particularly important where a Council is exempt from audit as no external audit review is performed.

3 External auditor certificate 2019/20

We certify/ ~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
