3. Path can get boggy during wet weather, in part due to horses using path – it is not a bridleway and RE will put a sign up to highlight this and monitor the situation, he is reluctant to put a fence up.

RSA commented that Ardley United FC now has car park monitors for each team and there would only be one team playing on the field next season.

RSA also highlighted the discussion held at the Garden Club AGM regarding approaching businesses to sponsor a planter in the village.

23.390.15 For Information: Works update (JM)

JM confirmed the works to the North Lane pond edging had been completed. This comprised replacing two edge lengths and installing 10m of Nicospan, breathable fencing with a safety rail along the top to create a structural edge. It was felt that more top soil was likely to be needed when the ground had settled with the addition of grass seed in the spring.

The Council agreed what a fantastic job was undertaken and thanked JM and RSA for all their hard work.

23.390.16 For Discussion: Parish plans for King’s Coronation. **Resolution To Approve** a donation request from the Village Hall of up to £300.00 to go towards the King’s Coronation afternoon tea event hosted by the Village Hall in May 2023 (DB/SD)

DB queried of the Council what the Parish Council could do as a marker for the King’s Coronation event in May 2023.

A variety of ideas were suggested by Councillors including providing a mug with crest on for every child in the parish, celebratory posters on planter noticeboards, spring clean of village items, community picnic on the playing field which the Parish Council could subsidise, dedication on a bench and replacing the broken Queen Jubilee tree. A co-ordinator would be required to assist in developing any plans.

The council discussed the proposal to donate Parish Council funds to the Village Hall’s Coronation afternoon tea event for which the Village Hall had provided a breakdown of costings. RSA withdrew from discussions due to his links to the Village Hall. It was proposed to contribute £300 towards the event.

<i>Parish Council Meeting Minutes: 1st February 2023</i>
Minutes Approved: Dated.....

The resolution to approve a donation of £300 from the Council's 'Donation' budget line for FY 2023-24 to the Village Hall for a contribution towards the King's Coronation afternoon tea event on 6th May 2023 was proposed by DB and seconded by SD. The motion was supported unanimously by the Council.

23.390.17 Resolution To Approve the following invoices for payment (SD)

SD requested approval of the following invoices detailed in the table below.

PC Ref	Payee	Purpose	Total (incl VAT)	Budget Line	Amount Remaining in 2022-23 Budget
313	Fair Account (Paul Reynolds)	Internal audit services interim review (04/22-12/22)	£260.00	Insurance & auditing/Audit fees	-£120.00*
314	Bicester Tree Services	Spinney tree felling x31 (due to ash die-back)	£1,200.00	Village Works/Spinney maintenance	£970.00
315	Clerk (J Mullane)	Printing of 250 A4 new bus service leaflets for village (Instant Print)	£50.99	Contingency	£132.86

It was noted that the higher audit costs were due to a larger income in FY 2021-22 which placed the audit fee into the next threshold. The new internal auditor for FY 2022-23 provided an interim audit service in January 2023 and has therefore invoiced for part year payment.

The resolution to approve the invoices detailed in the table was proposed by SD and seconded by JM. The motion was supported unanimously by the Council.

Action: Clerk to update invoice log with approvals.

Action: Clerk to initiative request for payments from Councillors and ensure payments authorised.

NM confirmed that he is still waiting to receive further information on the application to reduce the speed limit on B430. Dave Catling (OCC Traffic & Road Safety Officer) had been advised to provide costings for reducing the speed limit as a priority rather than all the additional traffic calming.

Reportedly Siemens are investigating paying for traffic calming through Wendlebury and it was considered that the Council, with Councillor Coton’s involvement, should approach Siemens again as nothing further had been heard.

Regarding the Speedwatch programme it has been agreed with Islip Parish Council that Weston on the Green will have use of the speed gun for a whole month on alternate months.

Thames Valley Police report that around 320k people have passed through the Speedwatch system with a small number being reported to the DVLA for no vehicle tax. Over 35k letters have been sent to drivers.
