Parish Clerk Update – 7th October 2020 Parish Council Meeting

1. Website Accessibility Statement

Weston on the Green's Website Accessibility Statement was placed on the Parish Council website by the deadline on 23rd September 2020. The website is compliant apart from old PDF/Word docs and the wording on the Agenda & Minutes page, I have said in the report that the aim is to fix both by the end of December 2020 and in the meantime if anyone requires any further assistance they should contact the clerk.

2. Bletchingdon Road Ongoing Tree Issue

Oxfordshire County Council (OCC) have again stated that the tree is not on their land. I have now contacted the Arboricultural Officer at OCC directly, highlighting with a map the ownership of the field by the Duchy and requesting to know if OCC do not own it who does.

I have also contacted Cherwell District Council's Arboricultural Officer to see if they can help. We will need to consider our next steps if these routes are not productive.

3. Ardley United Football Club Update

Due to increased demand Ardley FC have managed to create an additional under 10s team and have requested use of the Weston playing field on Saturday mornings for their matches, while they find another pitch. We have agreed this as a good will gesture and as development for the future.

Fixtures at Weston are as follows: 3/10, 14/11, 28/11 and 5/12 and will be advertised on the website and noticeboard when it is put in place in the playing field car park.

4. Litter Pick

The main verge from the centre of the village towards The Chequers has now been cut and it is suggested we now do a village litter pick one Saturday. Any thoughts on possible dates?

5. SLCC National Conference Clerk Training: 12th-16th October 2020

Just to highlight that SLCC are holding a virtual training conference on 12th-16th October which I have booked to attend and will therefore be restricted in what additional work I may be to undertake that week.
