2. Confirmation on Payments Received by Parish Council

No payments have been received by the Parish Council in the period 19th January to 18th February 2022.

3. Oxfordshire County Council (OCC) Highways Update

Bletchington Road verge repair – proposed works estimated to be carried out on 16th March 2022 and will include 2 way traffic lights in place for approximately 2 weeks.

North Lane Construction Traffic - OCC road traffic agreements team will speak to the developer/contractor on the Southfields site and ask if they can put back the 'No Construction Traffic' road sign at the top of North Lane to try and help prevent construction traffic going down North Lane.

Otter sign, Akeman Street – there is no such official otter highways sign. The closest they do is a 'small animals crossing' sign, which features a hedgehog and has to be authorised on a case by case basis by the Department of Transport. The suggestion from OCC was to wait as potential one may be introduced.
