4. SSE Industrial Waste Issue, Weston Manor Substation

Last correspondence 18th August 2022 – the waste issue has now been passed to SSE's Substation Clearance team to arrange a convenient date for one of their engineers to attend. I checked on 7th September and still no clearance and have therefore requested an update again.

5. Playing Field and Spinney – Parish Council Ownership

The solicitor has confirmed that the Parish Council owns all the boundaries surrounding the playing field and spinney as identified on the map below (marked by a 'T').

The solicitor is working with Land Registry on the final transfer documents.

6. Parish Council Barclays Bank Account Change

The Parish Council have been notified that Barclays Bank are changing our Active Saver Account (xxx1629) to a Business Premium Account on or around 8th November 2022, in order to simplify the range of accounts they offer.

The sort code and account number will not change.

The Business Premium Account is reportedly a simple, flexible instant-access savings account with no withdrawal restrictions.

The standard interest rate will be increased from the current 0.01% to 0.15% under the new account (information detailed as at 12th August 2022, interest rates are linked to the bank of England base rate).

Interest will be paid quarterly rather than annually and the first payment will be made on or around 5th December 2022. Any interest already earned on the Active Saver account will be paid into the account on or around 8th November 2022.
