#### 23/02422/F – 20 Westlands Avenue

Loft extension/conversion including increase to height of roof, and garage conversion with associated internal and external works.

Proposed extension is of significant scale, increasing the roof height beyond any similar dwellings in the Avenue. The plot, as is the case for many of the neighbouring dwellings, is already developed across the full width of the site, with the garden space also occupied with paving and garden buildings/furniture. Concern regarding over-development of the site.

Commented

## 23/01872/F - 2 Church Close

Two storey side extension including a stand alone oak garage.

Substantial extension in similar style to existing dwelling. Roof height to match existing, no obvious overlooking issues for neighbours because of the proximity of the rear carparking space to Gallosbrook Way dwellings.

### 23/02388/F - Stowe Cottage, 4 Oxford Court

Groundworks and installation of a garden room. Standard design using composite cladding and rubber roof material. Concern that there is no positive contribution to the character of the site with this addition.

Commented

## 23/02635/CLUP – 3 Shepherds Close

Certificate of Lawfulness of Proposed Development for the laying of paving slabs in the back garden and the assembly of a small greenhouse with a maximum footprint of 2m x 2m on top.

Commented
