[Bicester Community Hospital](#) provides inpatient rehabilitation and palliative care for people no longer requiring acute care.

If you are living at home then you can be referred to a community hospital by your GP. If you are already in another NHS hospital, then you can be referred by that hospital via a centralised team. You cannot refer yourself to a community hospital. If you are feeling unwell you should contact your GP.

For the first aid unit:

You do not need to be referred to be seen at the first aid unit. The first aid unit is open 6pm to 11pm on weekdays and 8.30am to 11pm on weekends and bank holidays.
