

## **Weston to Bletchington**

**A 3.5 miles circular walk to Bletchington Church**

**Starting at St Mary's Church, Weston on the Green, leave Church by gate leading to Village Hall, following footpath off Village Hall car park alongside stream to Westlands Avenue. Cross diagonally right to continue on footpath down between bungalows and through kissing gate.**

**Cross field diagonally left to kissing gate in far left hand corner, go through gate and turn left to cross concrete bridge over mill stream, through another kissing gate and cross next field slightly right to footbridge over stream.**

**Turn right following field edge to the corner of the field and then follow track through the spinney and through gap in hedge into large field, cross diagonally left and out onto bridleway.**

**Turn left and follow bridleway through gate and out onto a tarmac road by the entrance to Stonehouse Farm.**

**Turn immediately right down a gravel track towards a wood, turning left just before the wood and following a field edge path, keeping the hedge on your left until you see a footbridge on the left leading into a large field, just before woodland.**

**Cross the footbridge, bear right and then cross the field diagonally left, towards two large trees at the top of the field, keeping the two large trees to your left, head towards the stile in the fence.**

**Cross the stile and cross the small paddock diagonally left to a stile in the far corner, cross the stile and continue along the front of the converted stables to Bletchington Church.**

**On leaving the Church, turn right and then left through the car park and down the narrow lane to Church End onto the Weston road.**

**Turn left towards Weston and after the houses on the right take the footpath on the right that leads through a small spinney.**

**On leaving the spinney continue on the same line straight down the next field and over a footbridge into the next field. Continue on the same line, keeping the hedge on your right and out onto Dolly's Lane.**

**Turn left on Dolly's Lane and immediately after the second farm entrance on the right take the footpath signposted Weston.**

**Cross this field diagonally left to the far left hand corner, through the gateway and follow the field edge for a short distance to turn left over a footbridge and follow the edge of the woodland to a stile into the next field, cross stile and head directly across next field and over another stile onto the road.**

Turn right and follow the road back into Weston and return to the Church.
